The YAA recipients receive cash award and recognition at our Annual Conference, which is held in the Fall every year.

We started **Monte Jade Innovation Competition (MJIC)** in 2018 for young professionals and college students to showcase their prototypes, early-stage projects, and innovative products that solve real-world problems. We offer **Monte Jade Innovation Award (MJIA)** to winners including cash prize, mentorship, and career opportunities. We are running the 6th competition this year.

We plan to host our flagship **Annual Conference** at Nov-4 that in the history has been well-attended each year by more than 300 participants from various communities around the Southeast. At the conference, there is an award ceremony for Monte Jade Young Achiever Award (YAA) and the Monte Jade Innovation Competition Award (MJIC).

Monte Jade SE also publish **yearbooks** (300+ distributed annually to members) showcasing our sponsors, initiatives, and activities of the year. You can find Yearbooks from previous years: <https://www.montejadese.org/yearbooks>.
